

PARTIAL STUDY PROGRAMMES

Study programmes 2020-2021	Level	Branch of Science
Agricultural Engineering	BA	Agricultural Science
Agricultural Environmental Management Engineering	MA	Agricultural Science
Animal Husbandry Engineering	MA	Agricultural Science
Applied Economics	BA	Economic Science
Architect	MA	Engineering Science
Architecture	OTM	Engineering Science
Autonomous Vehicle Control Engineering	MA	Engineering Science
Biochemical Engineering	BA	Engineering Science
Biology	BA	Natural Science
Business Administration and Management	BA	Economic Science
Business Development	MA	Economic Science
Business Informatics	BA	Computer Science and Information Technology
Central European Studies	MA	Arts and Humanities
Chemical Engineering	MA	Engineering Science
Chemical Engineering	BA	Engineering Science
Chemistry	BA	Natural Science
Civil Engineering	BA	Engineering Science
Commerce and Marketing	BA	Economic Science
Communication and Media Science	BA	Social Science
Computer Science	BA	Computer Science and Information Technology
Computer Science Engineering	BA	Computer Science and Information Technology
Deutschsprachige Ausbildung im Fach für Handel und Marketing	BA	Economic Science
Earth Sciences	BA	Natural Science
Earth Sciences Engineering	MA	Engineering Science
Electrical Engineering	MA	Engineering Science
Electrical Engineering	BA	Engineering Science
Engineering Management	MA	Engineering Science
Environmental Engineering	MA	Engineering Science
Environmental Engineering	BA	Engineering Science
Finance	MA	Economic Science
Finance and Accounting	BA	Economic Science
Food Engineering	BA	Agricultural Science
Food Safety and Quality Engineering	MA	Agricultural Science
Geography	BA	Natural Science
Gestion Internationale	BA	Economic Science
Hydrogeological Engineering	MA	Engineering Science

Infrastructural Engineering	MA	Engineering Science
International Business Economics	BA	Economic Science
International Economy and Business	MA	Economic Science
International Relations	MA	Social Science
International Relations	BA	Social Science
International Studies	MA	Social Science
Land Surveying and Land Management Engineering	BA	Agricultural Science
Logistics Engineering	MA	Engineering Science
Logistics Engineering	BA	Engineering Science
Management and Leadership	MA	Economic Science
Marketing	MA	Economic Science
Master of Business Administration (MBA)	MA	Economic Science
Materials Engineering	MA	Engineering Science
Mathematics	BA	Natural Science
Mechanical Engineering	BA	Engineering Science
Mechanical Engineering	MA	Engineering Science
Mechanical Engineering Modelling	MA	Engineering Science
Mechatronical Engineering	BA	Engineering Science
Mechatronical Engineering	MA	Engineering Science
Mechatronics Engineering	BA	Engineering Science
Metallurgical Engineering	MA	Engineering Science
Pedagogy	BA	Arts and Humanities
Petroleum Engineering	MA	Engineering Science
Petroleum Geoengineering	MA	Engineering Science
Physical Training	BA	Sport Science
Physics	BA	Natural Science
Pre-School Teaching	BA	Teacher Training
Psychology	BA	Arts and Humanities
Regional and Environmental Economic Studies	MA	Economic Science
Rural Development Engineering	MA	Agricultural Science
Structural Engineering	MA	Engineering Science
Technical Management	BA	Engineering Science
Timber Industry Engineering	MA	Engineering Science
Timber Industry Engineering	BA	Engineering Science
Tourism and Catering	BA	Economic Science
Tourism Management	MA	Economic Science
Tourismus und Gastronomie	BA	Economic Science
Transportation Engineering	MA	Engineering Science
Vehicle Engineering	MA	Engineering Science
Vehicle Engineering	BA	Engineering Science
